

make change together

JOIN TOGETHER to CHANGE the FUTURE
of HEALTH & SOCIAL CARE SERVICES

Make Change Together is a recruitment, training and support programme.

It enables you, as a citizen of Northern Ireland to take part in programs of work, that will shape the transformation of your Health and Social Care services.

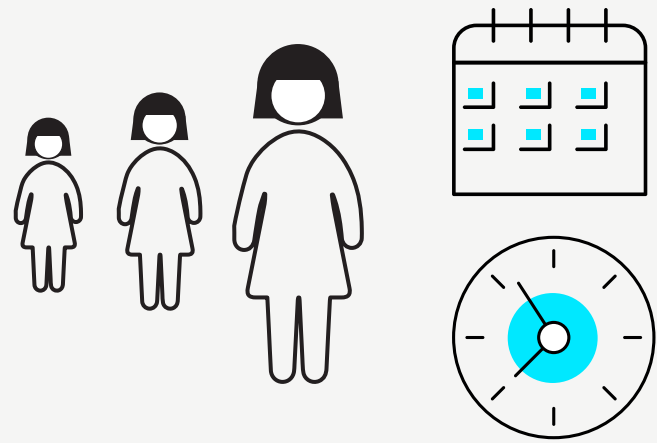

We're asking the citizens of Northern Ireland to join together to change the future of Health and Social Care Services.

Our services are at **breaking point** and in need of transformation. It's now more important than ever to become involved and make change together.

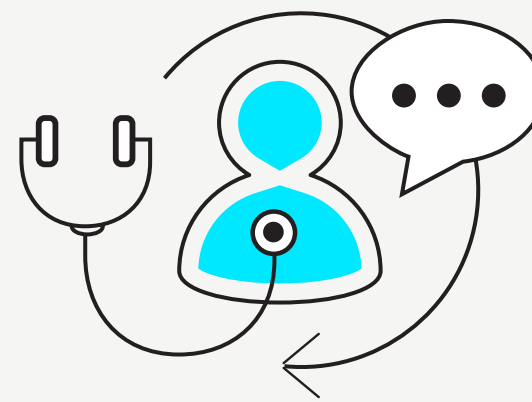

Take this opportunity to shape your future

Why get involved?

Become part of an expert advisor group that will work directly with the Department of Health to influence decisions, priorities and future plans. This year our focus is to work on:

Waiting times

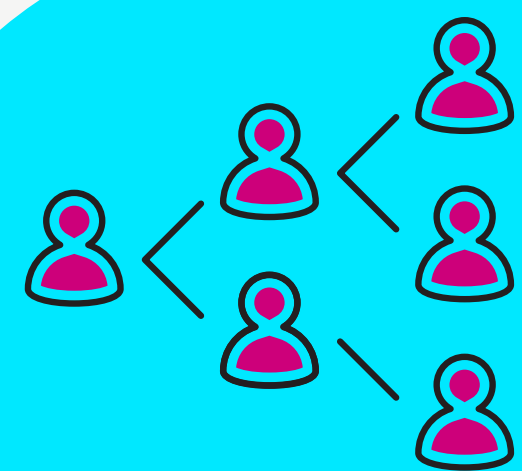

Patient experience

Attendance at engagement and training sessions

What's involved?

Support

Participation in monthly group discussions

Training and support programme for each participant

Out of pocket expenses such as travel and caring costs reimbursed

Support provided before, during and after sessions
